

You may be faced with making many tough decisions in a fast timeline when a loved one has passed away. We want your experience in choosing a monument to be stress-free. The process of a monument's design and creation can, however, be time consuming. Whether you alone or a family group are working with our experts to design the ideal memorial, it is vital we take our time to make the monument your family will be proud of.

Monument FX is a full-service facility. This means we are here from design to completion and installation.

As a division of FX Industries we have capabilities beyond other monument providers. Reach out to address your unique requests with one of our experts.

At Monument FX we take great pride in creating beautiful memorials which are as unique as your loved one. Uprights, slanted, benches, flat, and a range of custom shaped monuments are available in a variety of colors and sizes. Cremation markers and pet memorials are also available. Our process can be completed in as few as two to three weeks from our initial consultation, though we pride ourselves on taking the

necessary time to ensure all features are correct and meet your expectations. Visit our website to utilize our digital memorial ideabook if you and your loved

ones prefer to browse ideas at your leisure. Available anytime, without pressure, and in the comfort of your own home. Out of town family members can easily stay involved with the selection process.

We offer this service at no cost to you and it is available on the desktop and mobile versions of FXmonument.com.

Looking for additional services outside memorializing a loved one? Monument FX specializes in a variety of services to help promote your business, show off team spirit, acknowledge achievements, and more.
